The Renn Coffee Table finds its inspiration from Scottish designer, Charles Rennie Mackintosh. Known for his striking geometric lines and bold florals, this table follows the practice and use of simple forms and natural materials, rather than elaboration. The use of texture and shadow versus that of pattern and ornament. A juxtaposition of forms that evokes a sense of calming and the organic feeling of the interior.

The Renn Coffee Table finds its inspiration from Scottish designer, Charles Rennie Mackintosh. Known for his striking geometric lines and bold florals, this table follows the practice and use of simple forms and natural materials, rather than elaboration. The use of texture and shadow versus that of pattern and ornament. A juxtaposition of forms that evokes a sense of calming and the organic feeling of the interior.
