

SILAS BENCH

The Silas Bench and its distinct profile takes its cues from the influential Mid-Century Modernism design movement. The elliptical, form-fitted cushion is delicately supported by the curvilinear lines of the solid hardwood frame, evoking harmony through the rich contrast of materials.

This visually elegant form will be a warm and welcome addition, blending seamlessly into most modern interiors.

Available in three sizes.

AVAILABLE FINISHES:

STARTING AT:

\$2,925
