**MATERIALS:** FSC certified Ash, Oak, Walnut

**CUSTOMIZATION:** Contact for More Info

The Silas Console Table is a modern exploration of clean lines and minimalist shapes inspired by the De Stijl design movement. The console finds its inspiration through the simplified approach to the basic shapes and their applications. Highlighting the organic warmth of the solid wood and the integration of the natural woven caning, the console finds its more contemporary approach. As the human eye is drawn to geometry this console prefers to make its statement with smooth curves, striking lines and rich wood grain.
