

# SILAS FLOOR MIRROR

The Silas Floor Mirror exemplifies elegant minimalism, drawing inspiration from the bold use of shape and geometry that defined the Mid-Century Modern movement.

Handcrafted from solid wood, the frame offers a warm, timeless interpretation of the classic arched form, while the strategic use of negative space within the circular cutouts visually anchors the mirror to the floor. This linear design merges functional form with artistic expression, creating a striking focal point in any space.

Whether complementing a classic or modern home design, the Silas Floor Mirror effortlessly elevates interiors with its subtle yet powerful visual statement.
